Chadwick Riding Area is home to roughly 80 miles of ATV, motorcycle, and mountain bike trails. These trails have become very difficult to ride due to weather and erosion. This riding area is estimated at around 12 square miles in the Mark Twain National Forest. It is one of the top two ATV parks in Missouri, the other being St. Joe Park.

Riding permit is required and can be purchased at several locations including the Ava Park Ranger Station, Casey's General Store in Sparta, Kay's Country Country Store in Chadwick, Branson West Powersport in Branson. You should always call before you attempt to buy a pass, some stores sell out of them.
